The Contractor was given access to the MultiView-O-Online site to view all the survey results in geo-referenced format with interactive mapping and video.

ERC Consulting Ltd along with Reflective Measurement Systems Ltd performed the complete survey project, post survey collation and digital representation in accordance with the contract.

The Contract was performed to the satisfaction of the Estonian Road Administration and delivered in June 2017.

Sincerely Yours

A handwritten signature in maroon ink, consisting of several fluid, overlapping strokes.

Tiit Kaal
